

Steps to Apply for University Admissions

- Apply for admission to the University of North Georgia using [GA Futures](#). Both Georgia and out-of-state residents create an account with GA Futures to apply. If you cannot apply online, download a paper application and submit it to the [Office of Undergraduate Admissions](#). All applicants, online and paper, will pay a non-refundable application fee.
- On the admission application, you will need to select **General Studies – BSN** for your intended major.
- Submit your official transcripts. You will need to submit an official transcript from each institution you have attended. We must receive the transcripts through e-script, Parchment, National Student Clearinghouse, or by mail. If you attend a school that does not provide transcripts through these methods, you will need to request a transcript from the Registrar's Office.
