Introduction

The University of North Georgia (UNG) is committed to a safe learning and working environment for all University Community members. The University Community includes students, faculty, staff, as well as contractors, vendors, visitors, and guests. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires institutions of higher education to adopt certain campus security polices and disclose plain language summaries of them in an Annual Security Report (ASR). Those summaries and additional information are provided below.

Crime Reporting

Crimes should be reported as soon as possible to the Department of Public Safety via telephone at 706-864-1500, via the LiveSafe app, or our See Something/Say Something online reporting tool. In an emergency, dial 911 and follow up with the Department of Public Safety when it is safe to do so. Crimes may also be reported in person at each of the following campus locations:

Blue Ridge Campus:	56 Nighthawk Drive, Room 119A
Cumming Campus:	300 Aquatic Circle, Room 240
Dahlonega Campus:	269 Morrison Moore Parkway West
Gainesville Campus:	2640 Facilities Drive
Oconee Campus:	1201 Bishops Farms Parkway North

Additionally, crimes may be reported to the Dean of Students, Title IX Coordinator, Residence Life officials, Human Resources officials, Commandant of Cadets, or Director of Athletics.

UNG encourages the prompt reporting of crimes or other emergencies to the Department of Public Safety and/or appropriate police agencies, when the victim of a crim(so2 (C)2.6 a4(o)2 (r)-2 i 0.239 0 T

Each of the above agencies augments the Department of Public Safety within their jurisdiction during mutual investigations, arrests and prosecutions.

University police are fully qualified to adequately and independently investigate incidents and crimes occurring within our Clery geography across all five campuses. In the event a homicide investigation is needed, the Georgia Bureau of Investigation may conduct the investigation.

Emergency Response and Evacuation

UNG maintains an Emergency Action Plan and a Confidential Emergency Operations Plan. The Confidential Emergency Operations Plan includes:

- declaration of a campus state of emergency,
- roles and responsibilities in the event of an emergency,
- drills and exercises, and
- mutual aid agreements.

The UNG Department of Public Safety is responsible for maintaining the plan, conducting at least one annual test of the confidential Emergency Operations Plan, and maintaining detailed documentation of each test. Annual emergency response and evacuation tests may be announced or unannounced. Evacuation training sessions are available throughout each year either scheduled or upon request. The University publicizes information about UNG's Emergency Action Plan (EAP) in conjunction with one annual test and on an ongoing basis throughout the year including through orientation sessions, social media posts, and tests of the emergency notification system. A summary of the EAP can be found on the Department of Public Safety website. https://ung.edu/public-safety/emergency-preparedness.php

Missing Students

If a member of the University community has reason to believe that a student who resides in university-managed housing is missing, they should immediately notify the Department of Public Safety at 706-864-1500. The Department of Public Safety follow

Supportive Measures are available to you as explained in more detail below.
